

Blackthorn Village Hall NEWSLETTER

FEBRUARY 2016

Update from the Hall

The 2016 events calendar started well with our Burns Night on 30th Jan.

We had over 50 guests who sat down to a great night's food and entertainment. Thanks to everyone involved in organizing the event, those who gave a speech, recited a poem, sang a song or helped serve our guests and to everyone who came along and enjoyed themselves. Finally a huge thanks to our catering team who worked miracles given the facilities available to them

We've got plenty more planned for this year and will continue to keep you informed via our Newsletters, the village email list, the village FB page, flyers, posters and the Parish Mag.

If you're not on our email list and would like to be added please drop us a line at blackthorncommittee@hotmail.com or join the FaceBook page by searching for Blackthorn Village - it's a closed group restricted to those who live in Blackthorn

Planned Events

Pub Nights

We will continue to hold regular Pub Nights in 2016, which will be advertised via email, the village FB page and our new '**Pub Night this Friday**' banner that will be placed outside the hall.

Other Events

The Diary Dates box gives details of the events for the next few months, so please take a look and drop the dates into your diary.

Special April 23rd Event

A special event to celebrate the Bard's 400th anniversary along with St George's day, the Queen's 90th Birthday and all things English. More details to follow
